Dear Dr:

I had hoped to write you by now, and have everything arranged for Easter Sunday, however I have not closed with any team as yet. We will however play in Daytona Beach that day. I can have any one of several league teams, and have heard from some non league teams. I prefer The Jacksonville Red Caps, as they are a local team and Mr. Greer is giving me two days in Jacksonville. I am sure I will be able to send you the name of the team I am going to use by the end of the week. I really would like you to begin getting publicity. Do you want to have the placards made, or do you want me to do it. If you want me to order them send me the name and address of the ball park, where we will play. also the time of the game, and the prices. We will play there and it is a question of one of three league teams.

It looks now like I may have more men than I had first planned, but I will let you know in time just how many.

Please let me hear from you right away telling me the name of the park we will play in Easter Sunday.

Very Truly Yours
